

Chisholm Trail Academy

Statement of Financial Responsibility

Prior Debt: Prior to a student enrolling, any unpaid balances from previous year(s) at Chisholm Trail Academy or any other Seventh-day Adventist school in the Texas Conference must be paid in full.

Policy for Delinquent Debt: Payment of student accounts is due the 1st of the month. If payment is not received by the 15th of the month, the account will be deemed delinquent. If the account remains unpaid by the last day of the month, the parent/guardian will be asked to withdraw their child/children from the school. Failure to withdraw after the last day of the month will result in an action by the Chisholm Trail Academy Finance Committee to terminate the enrollment of the student. If termination of enrollment occurs, the parent will not be allowed to send their child/children to Chisholm Trail Academy until their school account is paid in full and a decision by the Finance Committee is made to allow re-enrollment.

If unusual and severe circumstances exist, one or both of the parents must meet with the Chisholm Trail Academy principal and school treasurer before the last day of the month and present an adequate explanation as to why payment has not been made. If it is deemed that unusual circumstances do exist, special arrangements may be made for a short-term delay in payment of the account. However, notwithstanding such arrangements for delayed payment, the parent/guardian will withdraw their child/children from school.
